

Criminal Case Fresh Start Report

FINDING: If your case is still pending, you cannot yet apply for an expunction (record clearing) or a nondisclosure order (record sealing). However, you may be eligible once your case is no longer pending.

GUIDANCE: While you wait for your criminal case to conclude, you can make things easier for yourself in the future by keeping track of (1) your criminal charge, (2) your criminal case number, (3) how your case resolves.
